You have sole authority and control in sharing access with, managing and disabling sub users and/or their respective authority. You authorize us to act on transaction instructions initiated under the credentials of an authenticated sub user, just as if it was initiated under your credentials. When granting Shared Access, you assume total liability for any and all activities of a sub user with respect to your accounts, and you agree to hold us harmless in any claim you make against a sub user for breach of your Agreement with said sub user pursuant to Shared Access.

Additionally, **we strictly forbid the sharing of digital banking login credentials** with other parties, including but not limited to, family, friends, colleagues, merchants, or any other individual. **Providing your account credentials to a third-party will result in the revocation of your digital banking privileges. In addition, the Credit Union will not bear any liability for transactions performed by persons with whom login credentials were shared.**

- There are conflicting claims to the funds in your account
- You request that we do so
- You reach a 90-day period of service inactivity
- There is any dispute or uncertainty regarding the ownership or control of the account

II – BILL PAYMENT

The Bill Payment Service

The Bill Payment Service, administered through a third-party vendor, allows you to schedule bill payments seven days a week. Bill Payment allows you to:

- Make payments to individuals, businesses and merchants

- Schedule payments to be made on a regular basis
- Make payments from your Workers checking account(s), or set up recurring payments
- Import your electronic bills and schedule payments based on your bill's due date/amount

Payment Account

Your bill payment account must be a Workers checking account. You may have more than one Workers checking account in your name linked to your bill payment profile.

Payment Method

Your online bill payments are made by transferring funds electronically (via ACH) from the payment account to the payee, or by mailing a check payable to the payee. A "payee" is a person or business you are paying. Whether or not the payee accepts electronic payments via financial institution's bill pay providers varies by payee. If an electronic payment method is not available for the payee specified, a standard paper check will be mailed to the payee address you entered. You may only designate payees with United States addresses. You may delete payees from your bill payment profile if you do not use them or hide them if you do not use them frequently.

Timing and Scheduling Your Payments

To allow time for the payee to receive your bill payment, you must schedule the payment to be made at least five business days prior to the day you want a payee to receive payment. If the bill payment is sent via standard paper check, you must schedule the payment to be made at least ten business days prior to the date you would like the payee to receive payment. The day by which the payee indicates payment is due is the "due date".

We recommend that you do not schedule the payment to be made during a grace period that your payee grants between the due date and the date at which the payment is considered late. The Credit Union will not be liable for late charges, penalties, interest, finance charges, and other damages if you schedule your payment to be paid during a grace period.

Our third-party bill payment processor will initiate your payment request either on the business day we receive your request, or the business day you specify. Payments requested to occur on a Saturday, Sunday or holiday will be processed the next business day.

When requesting an online bill payment, the funds will be mailed or sent electronically to the payee the day you designate the payment to be made (the "Process Date"). The payment will be debited from your Workers checking account within 1-2 business days by the third-party bill payment processor. You must have funds on deposit on the process date (also known as the "send on" date) for the payment to be made.

The Credit Union assumes no responsibility for late payments if you do not properly schedule and submit your request. To ensure that critical or time-sensitive payments, such as insurance premiums, are made in a timely manner, we recommend that you schedule these payments well in advance of their due dates. Payees may require extra time to post a payment to your account because they do not receive a payment coupon or invoice number with the payment. Some payees disclose the extra processing time they require to post payments that do not include a payment coupon or invoice. Additionally, the Credit Union does not guarantee a deliver-by date for bill payments sent to payees via check.

Recurring payments may be set up for weekly, bi-weekly, monthly, or bi-monthly payment. They must be for the same amount each time. Any scheduled or recurring payment request you designate on a Saturday, Sunday or a Bank holiday will be made on the following business day.

Right to Stop Payment and Procedure for Doing So

To place a stop on a payment made through the bill pay system, you must contact our Contact Center at 978-345-1021 or 1-800-221-4020. Please refer to our separate [Fee Schedule](#) for the amount we will charge you for each stop payment order you request. Please note: stop payments may only be placed on bill payments that have been sent via paper check. Stop payments cannot be placed for payments sent to payees electronically. Bill pay stop payment and NSF fees are charged within the first ten (10) days of the following month.

Disconnected Service

If you are disconnected from the bill payment before you log out, we recommend that you log back onto the service to verify that the payments or transfers you scheduled appear on your scheduled payments screen. If a scheduled payment or transfer is missing, please contact our Contact Center at 978-345-1021 or 1-800-221-4020 (for non-local calls in MA & NH).

Do NOT reissue any payment requests made during the interrupted session unless you have been advised to do so by our Contact Center. Otherwise, a duplicate payment could result. You authorize us to pay any duplicate payments you issue. We will not be responsible for any payee's refusal to return any duplicate payments issued by you.

Rejecting Payment Requests

Payment requests may be rejected if we suspect them to be fraudulent or erroneous. A payment request may also be refused if there is any uncertainty regarding the transacting party's authority to conduct the transaction, or if there is any dispute or uncertainty regarding the ownership or control of the payment account.

No Signature Required

When a payment is requested using bill payment, you agree that we may charge your account to make the payment with the same effect as if you had signed a check.

Deleting Bill Payments

After a payment request is transmitted, you may use bill payment to delete the payment by using the delete function in the scheduled payments section of bill pay, and on the View Payment History page. The delete request for payments must be transmitted on the business day before the business day the transaction is scheduled to take place, or you will be responsible for the payment. Recurring payment instructions must be deleted 2 days prior to the recurring payment date.

IV – ONLINE EXTERNAL LOAN PAYMENTS

“Loan” means your Workers loan account and “Funding Account” means your account at an outside institution that you are authorizing us to initiate payments from that will be applied to your Loan.

Our Loan Payment Service is a way for online banking users to make payments to their Loan with us from a Funding Account at another financial institution. Payments are debited using your other financial institution's routing number and your account number. The payment is sent via an Automated Clearing House (ACH) transaction.

Acceptance of Terms and Conditions

These Terms cover the use of the Loan Payment Service. By submitting a payment, you agree to the Terms set forth in this Agreement, as well as the online banking terms and conditions. If you no longer wish to be bound by these Terms, you should discontinue your usage of this service.

Payments

Interest will continue to accrue, and late charges may be assessed, if applicable, until final credit is given to your Loan. Payments scheduled on the current business day prior to 4:00 PM (ET) will be processed and credited to the Loan within three business days. In the event a payment is scheduled on a non-business day, after the 4:00 PM cut off time, or on a federal holiday, the payment will be processed on the next business day and credited to the Loan within three business days following. For the purpose of this disclosure, a business day is defined as any day of the week Monday through Friday, with the exception of Federal holidays.

Limitations

This service is intended to allow users to conveniently make regularly scheduled loan payments. We may impose a limit on the dollar amount or number of transactions allowed through this service.

Adding Your Funding Account to the Loan Payment Service

Only accounts that you own should be added to this service. In the event that a Funding Account is found to have alternate owners than that of the Loan, we may cancel the account or discontinue this service for that user. It is your responsibility to update your Funding Account information in the event that it changed.

Fees and Other Charges

We may charge a fee to make a payment to your Loan. That charge will be disclosed to you at the time you schedule your payment and will be charged in addition to your requested payment amount. You will also be charged a fee in the event that your payment is returned unpaid from your Funding Account as disclosed in your Loan Agreement. You may also be subject to a late charge as disclosed in your Loan Agreement.

Cancellation

We may cancel your ability to use this service in the event of multiple failed payments or if your Loan is delinquent. We reserve the right to cancel this service at any time, for any reason.

Reversed Payments

If any payment is rejected or is reversed for any reason, that payment will be reversed on your loan, and you will be responsible for making payment to the credit union separately.

Notification and Confirmations

You may request that a notification be generated to you via e-mail on the date your transaction begins to process. Any notification or confirmation number provided via our site is not a guarantee your payment has posted to your Loan. This is a confirmation that the payment will be attempted as well as a tool for us to research specific payments that are generated through this service.

Contact Information

We may contact you regarding your usage of our Loan Payment Service. This communication may be via U.S. Mail, email, or phone. It is your responsibility to notify the Credit Union if your current contact information changes.

Amendments

We may make changes to these Terms from time to time. Continued use of the Loan Payment Service will serve as your acknowledgement and acceptance of these Terms. Notification of changes will be given as required by law. You agree to receive electronic communications and disclosures regarding this service.

Questions

If you have any questions when using our Loan Payment Service, you may contact us at 978-345-1021 or 1-800-221-4020, during our regular business hours.

Debit Rewards Offers

If you decide you wish to participate in the Debit Rewards Offers (sometimes referred to as “Purchase Rewards Offers”) application, you acknowledge and agree to the following terms and conditions of service:

You will earn rewards for your participation in the Debit Rewards Offers program based on total purchases. If you participate in the Debit Rewards Offers, we will credit all cash or point rewards earned to your rewards balance and send you a lump sum of all rewards due to you. For any qualifying purchases during the current month, we will distribute the lump sum amount to you during the following calendar month. For example, if the payment date of all rewards end user disbursements is August 30, the applicable Measurement Period would be the calendar month ended July 31. Cash rewards will be deposited in the Debit Rewards Offers deposit account which is associated with the Purchase Rewards Offers program.

You must use the debit card associated with the Purchase Rewards Offers account in order to receive the offers which qualify for the rewards. Rewards will not be earned for any portion of your purchase that you pay for with store credit, gift certificates or other payment types. Purchases must be made as indicated in the offers made available under the Debit Rewards Offers program. Each offer will specify whether the purchase can be made online, at a store location, or by telephone to be eligible for rewards. You must also comply with any guidelines included with the offer, such as offer expiration dates, minimum purchase amounts, purchase limits, etc. You must also pay using the debit card associated with the account that received the Debit Rewards offer in order for the purchase to qualify.

While we and the merchants work hard to properly track and credit all eligible purchases, there may be times that we are unable to do so because of problems with your internet browser, the merchant's web site or our system. Please contact our support team at 978-345-1021 or 1-800-221-4020 if you believe you have made a qualifying purchase for which you did not receive Rewards.

Please note that you will not earn rewards as part of this program if you use a debit card not issued by us or do not have the designated deposit account opened with us at the time of disbursement. You understand and agree that we make no warranties and have no liability as to:

- Any offers, commitments, promotions, money back, or other incentives offered by any of the

merchants in the Debit Rewards Offers program.

- The rewards information that we provide to you, which is provided “as is” and “as available”.
- (i) your inability to comply with offer guidelines, (ii) the accuracy, timeliness, loss or corruption, or mis-delivery, of any qualifying purchase information or any other information, (iii) unauthorized access to your account(s) or to your account information and any misappropriation, or alteration, of your account information or data, to the extent that the unauthorized access results from your acts or omissions, or
(iv) your inability to access your account(s) including, but not limited to, failure of electronic or mechanical equipment, interconnect problems with telephone providers or internet service providers, acts of God, strikes, or other labor problems.
- Some states do not allow limitations on how long an implied warranty lasts, so that the above limitations may not apply to you, and that you may also have other rights, which vary from state to state.

VII – EXTERNAL FUNDS TRANSFER

You understand and agree that the External Funds Transfer Service is provided by a third party. You understand and agree that you may be charged a fee for services and products provided by and transactions performed through a third party and certain limitations apply, according to the terms and conditions disclosed to you. Further, you understand and agree that the Credit Union in its sole discretion may impose or change any limit on dollar amount or amount of transactions allowed through this service and stop or remove your utilization of this service.

External Account (A2A) Transfers

When you register to use the External Funds Transfer Service, your share accounts are enabled to perform transfers to and from external financial institutions in your name. A micro deposit(s) (funded by the third-party external funds transfer vendor, generally in amounts less than \$1) and a micro withdrawal are made to the designated account during the authentication process. After your receiving account has been authenticated and you verify the micro deposit(s) amounts, you are free to make transfers. Authentication may also occur through MX IAV where you enter your login credentials for the external Financial Institution and select the account that you will be utilizing for the external transfer. External transfers requested Monday through Friday during regular business hours are posted to your destination account once the funds have been successfully withdrawn from your source account.

Your transfer remains “In Process” for the number of days indicated from the time and day of your initiating the transfer. After that, the status is updated to “Complete”, indicating a successful transfer, provided we have not received notice of any problems with the transfer.

Person-to-Person (P2P) Payments

When you register to use the Person-to-Person service through our third-party external funds transfer vendor, your share accounts are automatically enabled to send payments. You may choose to send funds to anyone who has a valid email address or U.S. mobile phone enabled to receive text messages (standard text messaging rates may apply). If using email or text, the payee must collect the funds by logging into a designated third-party external funds transfer vendor website, PayItNow, enter your email or mobile number then answer the security question provided in the transaction notification by the third-party. The Sender will need to provide the payee with the correct response to the security question. Then the Payee needs to enter the account number or debit card number depending on how they would like to receive the funds.

Person-to-Person payments are generally available for your payee to collect within 1-2 business days, if the Payee

selected to receive the funds through their account. Otherwise, the Payee may choose to receive the funds through their debit card. The recipient must complete the collection of the funds process within 10 days of receiving the email or text. If there has been no response from your Payee, the funds are automatically returned to the source account.

You authorize the third-party external funds transfer vendor to originate ACH credit/debit entries to your account(s) as instructed. This authorization is to remain in full effect until our third-party vendor has received notification from you of its termination in such manner as to afford the third-party external funds transfer vendor a reasonable opportunity to act on it (no less than 10 days prior to transfer date). You acknowledge that the third-party external funds transfer vendor's origination of ACH entries under this Agreement must comply with United States law.

ACH Disclosure: All items or Automatic Clearing House ("ACH") transfers to your account(s) are provisional and subject to receipt of final payment. If final payment is not received, our third-party external funds transfer vendor reserves the right to charge your account the amount for those items or ACH transfers and impose a return charge on your account.

Please see our [fee schedule](#) for details. After the third-party external funds transfer vendor has received final payment, the vendor refers to these deposits as collected items. If the third-party external funds transfer vendor or the Credit Union incurs any fee to collect any item, the Credit Union may charge such fee to your account. The third-party external funds transfer vendor and the Credit Union reserve the right to refuse or to return all or any items or funds transferred.

On all Standard Transfers you should expect to see the funds in the destination account within 1-2 business days depending upon the transaction history. The timing may vary depending upon the institution. If there is a problem with executing your request, the third-party external funds transfer vendor will notify you by email on record or on History page. You authorize the third-party external funds transfer vendor to execute this transaction and accept the Terms of Conditions when you submit the transaction. At the time of submission, please make sure you have the funds available in the account, otherwise an overdraft fee or insufficient funds fee may be charged and/or the transaction may fail.

Canceling or Stopping A2A or P2P Payments or Transfers

You may cancel an External Transfer any time before the cutoff time (3:00 PM EST) only if the status remains "In Process". To cancel a transfer "In Process" go to Scheduled Payments and click on the "Delete Payment" link next to the transaction. Once your transfer funds request has processed and the status has changed to "Completed", you cannot cancel the transaction.

VIII – ELECTRONIC STATEMENTS (eStatements)

Electronic Delivery and Notifications

By signing up for electronic statement delivery, or "eStatements", you accept the terms of this agreement, and hereby authorize the Credit Union to provide periodic financial statements to you electronically. Your authorization means that you consent and agree to the following:

You will provide us with an email address that will be used to send all electronic statement-related notifications. You understand that the email notification informing you that your statement is available for viewing can take up to 5 business days to receive after the statement is generated. You will let us know immediately if the email address changes. You understand that you have no expectation of privacy if the statement link is transmitted to an email address owned by your employer. You further agree to release the Credit Union from any liability if the information is intercepted or viewed by an unauthorized party or other email address selected by you.

Upon receipt of your consent and using the email address you provide; we will send you notification of the availability of your periodic account statement each statement period (statement cycle) and you will be required to access the Credit Union web site in order to view your statements. You will be required to enter your login information and password to view the electronic statement(s) and images. It is your sole responsibility to protect your login and password from unauthorized persons.

Your consent to receive electronic periodic deposit statements shall remain in effect until revoked by you. If you elect to revoke your consent to receive electronic statements, you may do so by telephone at 978-345-1021 or 1-800-221-4020. If the revocation of your consent is received less than fifteen (15) days before the end of your normal statement cycle, it may not take effect until the following statement cycle. Once you sign up for eStatements you will be able to view, save or print the last twenty-four (24) monthly statements.

If you have chosen electronic statements as your delivery preference, you will not receive a paper statement. This means that along with your statement you may also electronically receive any materials that would have gone out with the paper statement including disclosures and promotional materials.

You agree not to disclose the username or password to anyone. You understand that in providing this information to a third party, you are granting that party the right to view your account statements, which will include your account numbers, your account balances, your account history and images of your cleared checks. please call or write us at the telephone number or address listed in this Agreement, as soon as possible, if you think your statement or receipt is wrong or if you need more information about a transaction listed on the statement or receipt. F – Error Resolution Notice

Tell us AT ONCE if you believe your Digital Banking log-in information has been lost or misplaced. Calling is the best way of limiting your possible losses.

In case of errors or questions about your transfers or payments, please let us know as soon as you can. If you believe that your statement is wrong or if you need more information about a transaction, telephone us at 978-345-1021 or 1-800-221-4020 (for non-local calls in MA & NH).

We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or suspected error appeared.

1. Tell us your name and account number
2. Describe the error or the transaction you are unsure about and explain as clearly as you can why you believe it is an error or why you are requesting more information.
3. Tell us the dollar amount of the suspected error.

If you inform us of your complaint verbally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we require additional time, we may take up to 45 calendar days to investigate your complaint or

question. If we decide to do this, we will provisionally credit your account within 10 business days for the amount you believe is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not provisionally credit your account.

We will provide you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. We may then debit the provisional credit(s). Upon debiting a provisionally credited amount, we shall:

1. Notify you of the date and amount of the debiting.
2. Notify you that we will honor checks, drafts, or similar instruments payable to third parties and preauthorized transfers from your account (without charging you as a result of an overdraft) for five business days after the notification. We shall honor items as specified in the notice but need honor only items that would have been paid if the provisionally credited funds had not been debited.

You may inspect or ask for copies of the documents that we used in our investigation. If there is no error, we may impose on you a reasonable charge for making such reproductions.

G – Your Liability for Unauthorized Transactions

Tell us AT ONCE if you believe that any username, password, or other code or authentication feature you use for the Services has been lost or stolen or used without your permission. You should also tell us AT ONCE if you believe that an electronic fund transfer has been made without your permission. Telephoning is the best way of minimizing your possible losses. You could lose all the money in your account including any overdraft loan/line of credit and overdraft protection program. However, if you tell us within 2 business days after you learn of the loss or theft of your username, password, or other access code or authentication feature then you can lose no more than \$50 if someone uses your username, password or other access code or authentication without your permission.

If your statement shows transfers that you did not make whether by code, card or other means, you need to tell us AT ONCE. Transfers that show on your statement that you did not authorize will be treated as “errors” and are subject to the error resolution process as described herein. If you do not tell us within 60 days from the date the statement was delivered to you, you may not get back the money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason, such as a hospital stay or long trip) kept you from telling us, we may extend the time period.

H – Email Limitations

The Credit Union may not immediately receive emails that you send to us. Therefore, you should not rely on email if you need to communicate with us immediately; for example, if you need to report a lost or stolen card or PIN or report an unauthorized transaction from one of your accounts. We cannot take action based on your email requests until we actually receive your message and have a reasonable opportunity to act.
